

Hello Members of TTT and Owners of Luxury Properties Worldwide,

Today's five fabulous favorites include a very special new home with pool set on over an acre of gardens in the heart of Singapore and a new apartment with seaviews in Copenhagen overlooking the Royal Theater and the Royal Opera. In Mexico, spectacular 14 bedroom La Villita with pool is available in Puerto Vallarta for weeks from May 1 through August 31, and beautiful 4 bedroom Casa Heuer with pool is available in San Jose del Cabo for the week of March 24-31. In Vence, France, gorgeous 5 bedroom "Lou Seren" with pool is available for weeks in May.

To celebrate St. Patrick's Day tomorrow, I wanted to remind everyone that we offer "Green Credits" to reward members for "greening" their properties to reduce carbon emissions and conserve natural resources. We offer full barter credit for all monies spent on things like solar power, ENERGY STAR appliances, low flow water fixtures and toilets, programmable thermostats, compact florescent light bulbs, low or no volatile organic compound paints, insulation, ceiling fans, etc. Simply send us copies of the receipts and when you use your Green Credits to enjoy properties worldwide, we will donate half of the exchange fee to "The Oceanic Preservation Society."

Please let us know if there is anything we can do for you or if you have available dates that you would like to trade in your vacation property for stays in the world's most luxurious vacation homes and villas, boutique hotels, resorts, spas, castles, chateaux, penthouses, private islands, boats, yachts and megayachts at 90% savings!

All the best,
Leah
